

Garden Club Clothing, and more!

We now have an account at Lands' End so that you can order clothing, tote bags, stadium blankets, and more with our beautiful logo embroidered on the items. This is not a fundraiser for our club, just a service to our members, and entirely optional. Having the logo adds \$8.50 to the cost of an item. The items take approximately 14 business days to ship.

Easiest way to order is to peruse the offerings at landsend.com/business and then call them at [\(800\)338-2000](tel:8003382000) with your order.

Our logo is number **1350358W**.

In addition to the items in the Business catalog, they can also put the logo on regular Lands End items that take a monogram (I saw a ladies straw visor...) <http://www.landsend.com/shop/search?Ntt=monogram>
